THEATERS

AT THE LASALLE.

Blanche Sweet, one of the most interesting personalities before the motion picture public, will be seen at the Lasalle today, in a story of life entitled, "Public Opinion." Miss Sweet has played a wide variety of roles during her picture career but in this picture, she has a part entirely unlike any she has heretofore played in the role of a young nurse who is accused of a crime which she did not commit. A very exciting court scene marks the climax of the picture and excellent supporting work is done by Tom Forman, Elliott Dexter, Earle Fox and others. A Paramount picture in every sense of the word.

A picturization of William J. Locke's widely read novel, "Jaffery," will be shown at the Lasalle tomorrow with C. Aubrey Smith and Eleanor Woodruff heading a large and capable cast.

AT THE ORPHEUM.

In the "Fraternity Boys and Girls," vaudeville's newest tabloid musical comedy now playing at the Orpheum has a cast of 25 people, headed by Sylvia De Frankie, a dainty little comedienne who formerly resided in this city. Miss De Frankie has won national fame on the vaudeville stage; last season having been one of the featured players with Klaw and Erlanger's "Around The Map," which played the entire year at the Amsterdam theater, New York. John P. Morse, the comedian, affords much comedy and the balance of the fun making cast is capable.

Six distinct and elaborate scenes add considerable interest and among the many sparkling song numbers are, "When a Fellow's Twenty One," "Sorority Girls," "Could You Love A Man Like Me?", "Klu Klux Klan," and "Morning Exercises." A ragtime wedding at the finish is elaborately detailed and offers entertainment.

MY HOME TOWN GIRL.

Frank Stammers, author of "My Home Town Girl," has provided John Hyams and Leila McIntyre with a piece that has proved the most fitting vehicle of their bright career and gives promise of showing itself even greater success than "The Girl of My Dreams" in which they became popular favorites. The music, by Louis A. Hirsch, is replete with lilt, catchy tunes, bearing the label of real hits.

The attraction, which is produced by Perry J. Kelly, is coming to the Oliver theater Sept. 29. No pains or expense have been spared to give the production a fine presentation. The same excellent supporting cast that contributed to the success of the attraction last season will be seen with it again this year. Among those of prominence in the cast are, Eda von Luke, Alma Youlin, Maude Beatty, Doris Vernon, Dorothy Reich, Roy Purviance, Maurice Darcy and John Hall, together with a chorus of attractive girls.

AT THE COLONIAL.

"Father of Men," a Biograph Blue Ribbon feature in six parts, written by James Oliver Curwood, is the feature picture to be shown at the Colonial today. Robert Edeson, in a dual role, has wonderful opportunities for displaying his talent. He is first seen as John Howland, a trapper, at the age of 35 and next as Robert the 25-year-old son of John Howland. It is a thrilling tale of the great northwest which concerns a man whose life is embittered when a trader runs away with his wife while he is at a nearby hospital. He vows vengeance, but it is not until 20 years later that he next meets his enemy. This time it is under conditions favorable to his revenge, for he finds him by the body of a murdered man, a man through he knows that the trapper did not commit the murder. After many thrilling adventures the feud is peacefully ended. Others prominent in the cast are Naomi Childers, Harry Northrup, and Bobby Connelly.

An interesting story of stage life will be seen at the Colonial on Wednesday with Naomi Childers and Marc McDermott in "Footlights of Fate."

AT THE OLIVER.

The Oliver Stock company is giving most excellent performances of the clever comedy drama "Under Cover," with which they opened their season at the Oliver theater on Sunday. The play is one of the best ever given here by a stock company and Mr. Oliver's new organization is the best he has ever brought together. Mr. Oliver is playing the lead in the production with Miss Desmond, the new leading woman playing opposite, and they are well supported by Miss Romaine, Miss Kennedy, Miss Hill, Mr. Boyle, Mr. Justus, Mr. Strong, Mr. Hammond, Mr. Wells, Mr. Henry, Mr. Wallace and Mr. Moore. An attractive scenic production has been painted by the artist of the company and every little detail as to properties and electrical effects has been given attention. "Under Cover" will be played this afternoon and tonight and tomorrow night and on Thursday there will be a change of bill when another comedy drama "In Walked Jimmy" will be presented. Matinees will be given throughout the engagement on Sundays, Tuesdays, Thursdays and Saturdays. Next Sunday Mr. Oliver will present that sensational and much talked of play "The Common Law."

AT THE AUDITORIUM.

Frank Keenan, Charles Ray and Louise Glaum are to be seen in "Honor Thy Name," a Triangle-Ince play at the Auditorium today. It is the story of a father's sacrifice to save his son. Col. Slocum Castleton, played by Mr. Keenan, was ray in his day and one of his friends had been an opera singer Rosta. But, one night returning to his apartment, he had found her with

another man and promptly dropped her. Now he is a respected southern gentleman, living quietly with his wife and son Rodney. Rodney is in love with Rosalee Care, a distant cousin, and the prospective match is thoroughly acceptable to Rodney's parents. Then the colonel sends his son to New York to the university. There he falls into bad company and meets Viola Bretagne. Realizing that he has means she determines to catch him and soon Rodney writes his father that he is going to marry her. The old man at once comes to New York and sprucing himself up, takes the girl away from Rodney, just to show him how unworthy she is. Then it develops that Viola is the daughter of Rosita and all of her mother's desire for revenge, comes back. She wins Rodney back and after a drunken spree, he finds that he has married her. She makes him take her to his father's home and there she declines to accept the father's cash terms for final settlement, and the old man determines on a way to get rid of her that is one of the most terrible, series of scenes ever shown upon the screen. "Pills of Peril," a two reel Keystone comedy is also on the bill. Tomorrow William Fox will present Walter Law in a six reel drama entitled "The Unwelcome Mother," and the Selig-Tribune weekly will be given as usual.

A SOUTH BEND INTERVIEW

Mrs. Brewer Tells Her Experience.

The following brief account of an interview with a South Bend woman over six years ago, and its sequel, will be read with keen interest by every citizen. Mrs. L. Brewer, 815 N. Main st., South Bend, says: "I suffered for several months with backache, headaches and other symptoms of kidney trouble. The above statement was given February 11, 1909, and on November 5, 1915, Mrs. Brewer said: "I have not forgotten the good Doan's Kidney Pills gave me, although I have not had to use them in a long time."

Less Willard says: Take Nuxated Iron

If you want plenty of 'stay there' Strength and Endurance and Health and muscles like mine."

A hitherto untold Secret of his Great Victories over Jack Johnson and Frank Moran.

Ordinary Nuxated Iron will often increase the strength and endurance of the delicate nervous folks 200 per cent. in two weeks' time.

SPECIAL NOTE—Dr. E. Sauer, a well-known physician who has studied widely in both this country and Europe, has been specially employed to make a thorough investigation into the real secret of the great strength, power and endurance of Jess Willard, and the marvelous value of nuxated iron as a strength builder.

NEW YORK—Upon being interviewed at his apartment in the Colonial hotel, Mr. Willard said: "Yes, I have a chemical with me to study the value of different foods and products as to their power to produce great strength and endurance, both of which are so necessary in the prize ring. On his recommendation I have often taken nuxated iron and I have particularly appreciated the free use of iron by all those who wish to obtain great physical power. Without it I am sure that I should never have been able to whip Jack Johnson so completely and easily as I did and while training for my fight with Frank Moran, I regularly took nuxated iron, and I am certain that it was a most important factor in my winning the fight so easily."

Continuing, Dr. Sauer said: "Mr. Willard's case is only one of hundreds which I could cite from my own personal experience which proves conclusively the astonishing power of nuxated iron to restore strength and vitality even in most complicated chronic conditions."

JESS WILLARD AT HOME

Among all the prominent figures of the prize ring, probably none is so devoted to family life as Jess Willard. After each engagement the champion hurries to his wife and children and remains at their side until public demand forces him to leave for new encounters. Everything is done to bring up the "little Willards" with strong healthy bodies. Mr. Willard accounts for his own success by saying:—

"I consider that plenty of iron in my blood is the secret of my great strength, power and endurance."

Jess Willard

much or what you eat, your food merely passes through you without doing you any good. You don't get any strength out of it, and as a consequence you become weak, pale and sickly looking, just like a plant trying to grow in soil deficient in iron. Unless you get strong or well, you owe it to yourself to make the following test: See how long you can work or how far you can walk without becoming tired. Next take two five-grain tablets of ordinary mixed iron three times per day after meals for two weeks. Then test your strength again and see for yourself how much you have gained. I have seen dozens of nervous, run-down people who were ailing all the while, double their strength and endurance and entirely get rid of all symptoms of dyspepsia, liver and other troubles in from ten to fourteen days simply by taking iron in the proper form. And this after they had in some cases been doctoring for months without obtaining any benefit. But don't take the old forms of reduced iron, iron acetate or tincture of iron simply to save a few cents. You must take iron in a form that can be easily absorbed and assimilated like nuxated iron. If you want it to do you any good, otherwise it may prove worse than useless.

Many an athlete or prize fighter has won the day simply because he knew the secret of great strength and endurance and filled his blood with iron before he went into the arena, while many
